

XII INTERNATIONAL TOURNAMENT TGN BASQUET - CAMBRILS

Easter 2015
From 27 March to 1 April

PRESENTATION

The 12th edition of our annual Basketball tournament will be held in February 2015. Over the past 12 years 481 teams from 80 different clubs have participated. We have hosted more than 5000 players with teams from all over Spain, France, Ireland and Scotland and it is regarded the premier tournament in our region with a great reputation in our country and abroad.

This amount of participants let us to say that it's a pioneer tournament with very good reputation in our country.

We want to emphasize that the organisational capacity of our club during previous tournaments has been focused on competitiveness in the court, with great effort going in to making sure all teams play with teams of the same level. Off the court it is also important to us that the good atmosphere continues and we ensure this by housing teams in the same hotel and organising an excursion to Port Aventura, one of the main attractions in our province.
